Welcome to the RK Online Store page. You can find a variety of products that are available at incredible prices at RI. Please browse our website so you can find all the products you want, and if you have any questions about products or shipping, you can call us at 1-800-950-0019. You can also visit RK Direct's blog page. They have many neat things going on there, too.

Women's Football Has Come A Long Way From Women's Football in England to the Oakland A's calling for a women's soccer team, major American sporting leagues are beginning to recognize women's sports as major competitions. Yet it wasn't always this way. The Ladies' Football Association was formed in 1886 to promote the sport of women's football. Even then there was a great deal of suspicion and disapproval over the sport. Women's football developed a much more conservative reputation when it moved to the United States in the early 1900s. In 1892, women's soccer even broke off the U.S. LFA. It didn't help matters any that U.S. women's international soccer matches were often protested by European supporters, and the USFA actively discouraged the sport. Things began to change in the 1930s, when women's soccer and basketball teams were included in the Olympic Games. Today, women's soccer is the third most popular sport in the U.S., and one of the top ten in the world.

Historically, the women's soccer championship had been considered an afterthought. In the early years of the U.S. Women's Professional Soccer League, women's soccer teams didn't make it into the league's playoffs. They would even be relegated to a newly created semi-pro league if they made it into the main circuit. Today, however, women's soccer teams are making it into the playoffs, with the best women's team in the world, the United States' women's national soccer team, even making it into the 2006 FIFA World Cup. This is big news. Making it into the world championship is no easy feat, and all the while the rest of the women's soccer world was quick to mock the United States for losing in the semi-finals of their Olympic tournament to Japan, and for going all the way
